Re: Your Public Record Request

To Whom It May Concern:

This letter responds to your May 6 follow-up request to the Butte County Department of Development Services seeking various records related to the Camp Fire (A copy of the follow-up request is attached). After a search for responsive records, the department has located various responsive documents that will be saved to a shared drive given the large volume of documents and a link will be emailed to you to access the documents. Please note that one document contains redactions of attorney-client communications made pursuant to (1) Government Code section 6254(k) (Exempt disclosures and privilege) and (2) Government Code section 6255 because the public interest served by non-disclosure of the communications clearly outweighs the public interest in disclosure.

Very truly yours,

BRUCE S. ALPERT
Butte County Counsel
